

SOKS 2011 Summer Staff

Wyatt is a recent biology graduate from the University of British Columbia Okanagan Campus. While he enjoys his plants and wildlife, he is also known to dabble in some cool chemistry. Wyatt has previous experience with nature programs for kids and hopes to bring his life and energy to science once again! Hands on, active learning is a must!

Wyatt Klopp

“The imagination and the shared excitement with the kids in unraveling scientific mysteries is what makes teaching science so much fun!”

Jessica Scott

Jessica is student at UBCO who is studying for a bachelor of education in elementary education and a bachelor of science majoring in biology. Jessica is an active, enthusiastic person with a love of kids and all areas of science. When she is not busy studying, she is walking her dogs, cooking or enjoying the beautiful outdoors in the Okanagan.
